FRENCH OAK ZENITUDE TUFEAU, HERRINGBONE 139 TONGUE & GROOVE / 14 MM

Characteristics

Species: French oak **Origin:** France

Grading: **Zenitude** - light and dark wood, black knots, filled knots, opened knots, discolouration, cracks, splits, sapwood. Grade with all peculiarities of the wood without limitation. The size of the knots is proportional to the width of the planks.

Finish: **Tufeau** - unbrushed, chalk-tone matt oiled / Hard wax oil

For oiled wood floors, apply a thin coat of Panaget maintenance oil right after installation. Please refer to our maintenance guide. While we take the greatest care in manufacturing our flooring, there can sometimes be slight variations in colouring. So it's important to factor in margin of 2-5% more than the actual surface you're covering. This means you won't run out of planks and you will be sure to enjoy a beautiful finished product.
