

# OAK ALP ROSE

In Oak Alp Rose, the smoked oak is enhanced with a soft grey/brown tone, adding subtle depth that highlights the wood's natural warmth and character. Each plank is meticulously brushed and oiled to reveal the intricate grain, creating a smoother texture that gently accentuates the knots and cracks.

## DETAILED DESCRIPTION

All naturally occuring wood colour variations allowed, from light to dark brown. The product includes large sound and black knots and cracks. Knots and cracks will be present in all sizes and numbers.

**Oil:** This floor should be oiled immediately after installation.

**Colour change:** The smoked finish accentuates the natural colour variations, creating a stronger contrast between light and dark tones initially. Over time, the colour variations will soften, resulting in a more uniform overall appearance. The oiled surface will develop a natural patina.

Packages may contain start and stop boards.
