

## OAK LARUS

Oak Larus captures the clarity of pale with its airy, white oiled finished. Its softly washed tones feel effortless and clean, allowing the natural character of the wood to take center stage. Knots and natural variations are hand-restored with wooden plugs and filler to create a harmonious, subtle expression which is then finished with a white-tinted natural oil to preserve the detail in the oak. Oak Larus has a smooth, low-sheen surface that reflects light with serene, understated elegance.
