## Repair Kit Oiled Floor

For the repair of scratches, holes, bruises on parquet, veneer,parquet, stairs, doors or furniture.

### PACKAGING

The product is offered both as individual kits as well as 5 sets packed in a display box

### INSTRUCTIONS

See instructions in packaging.

To operate the melter, you require three 1,5V AA batteries

### HEALTH AND ENVIRONMENT

#### Aqua Clear Lacquer Pen

Contains 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.

#### Premium Special Oil

Repeated exposure may cause skin dryness or cracking. Materials like cleaning rags, paper cloths and protective clothing contaminated with the product may ignite spontaneously after some hours, therefore, these materials must be stored either in tightly sealed containers or soaked in water.

Precautions common for handling chemical products should be taken. For further information, please see the Material Safety Data Sheet.
